

pdf ISSN 0272-1342 .pdf ASIN B00H5RDKES This book deals with the life and teachings of Islam's prophet Muhammad, his teachings, social teachings and methodology of the Way of the Prophet. It was first published in Arabic in 1969 and later in Persian in the early 1970s. It was translated from Arabic into English by Rafi' Ahmad, a former professor of Quran in the United States. After publishing in the United States in 1979, he now lives in Tehran. .pdf 010408974X The book, "The Islamic Revolution and the War in Afghanistan" provides an in-depth analysis of the war in Afghanistan. It analyzes the war in terms of its impact on Islamic thought, the formation of political movements, and the development of a new regime. It considers this issue from the perspective of history, sociology, and political science. The book's final chapter is devoted to an analysis of the strategy of the United States in this war, the new regime in Afghanistan, and the likelihood of success. Part 1. Book one. 1982.392s.pdf .pdf 018911842X The philosophy of Mullah Muhammad Omar, the current leader of the Taliban is presented in this book, which was first published in the early 1990s. In it, Mullah Omar describes his approach to the Shari'ah. The book's purpose is to assist Muslims to understand the source of all human knowledge and to come to know the teachings and ways of the prophet. .pdf 014093785X This is a history of the philosophy of Mullah Muhammad Omar. His book, "Minhaj" was written in the 1970s, and published in Persian, and first published in English in 1988. .pdf 014093786X This book discusses the main books of Islam in the light of the hadith. "Minhaj" is the original text. .pdf 0227155843 This book, "The essential Message" is a biography of the prophet Muhammad and a collection of his life, social, and ethical teachings.
